About *the Garden of sinners –recalled out summer-*

The mega hit animated movie series “the Garden of sinners” began with an online novel written by Kinoko Nasu. After breaking multiple records in anime movie history, “the Garden of sinners” ended with the theatrical release of “Last Chapter: the Garden of sinners” in December of 2010.

However, there was a story which has yet to be told.

In 2013, “recalled out summer” was finally created into an animation, as the very last movie of “the Garden of sinners”...

<recalled out summer>

August 1998. At this moment, serial bomber Meruka Kuramitsu is certain of victory. Flip a switch. In the ensuing explosion, Shiki Ryougi’s body will scatter into pieces. Can Shiki survive the battle against this person with precognitive power?

<recalled out summer –extra chorus–>

Shiki ends up keeping a black cat while Mikiya Kokutou is out of town. Meanwhile, Ririsu Miyasuki, a student of Reien Girls’ Academy, suffers from the loss of her best friend who committed suicide by jumping off the Fujou Building. When Ririsu tries to kill herself, she encounters her classmate Asagami Fujino, who has psychokinetic power.
