Hugely Popular Mobile Game Hits North America This Summer

LOS ANGELES, CA (May 20, 2017) –Aniplex of America announced the launch of a Facebook campaign that allows fans to unlock additional rewards in the highly anticipated mobile game *Fate/Grand Order*, including the rare Servant SABER LILY. Last month, the company announced their plan to bring an English version of *Fate/Grand Order* to North American territories in Summer 2017 for both iOS and Android platforms.

One of the most successful mobile role-playing games ever in Japan, *Fate/Grand Order* has players become Masters who summon powerful allies called Heroic Spirits (also known as Servants). Together, they embark on a journey to the past called Grand Order. Released in July 2015 in Japan and last Fall in China, *Fate/Grand Order* has been downloaded over 8 million times. It has consistently topped iOS and Android charts, and outperformed other popular games in downloads and revenue. Additional launches in Asia are coming this month. The game's exciting storyline and compelling gameplay keep fans engaged and wanting more.

The Fate/Grand Order Challenge: Facebook Master Recruitment Campaign lets fans crowdsource exciting extra rewards prior to launch. Starting at just 10,000 Likes, players can unlock additional in-game prizes at each milestone, including the rare SABER LILY! Other

prizes include Saint Quartz, Craft Essence, and Hero Crystals. Visit www.facebook.com/FateGO.USA for additional details.

“We are very excited for players to be involved in the development of Fate/Grand Order in this way.” said Atsuhiro Iwakami, president of Aniplex Inc. “The game has been incredibly successful since its launch in Japan and we know the fans in North America will embrace it as well.”
