**Aniplex of America Reveals Global Release Date of TYPE-MOON's
*TSUKIHIME -A piece of blue glass moon-***

TYPE-MOON reimagines one of their most beloved classics, bringing it to a brand-new generation of fans.

SANTA MONICA, CA – March 22, 2024 Aniplex of America is happy to announce that TYPE-MOON's reimagining of their classic visual novel *Tsukihime*, titled *TSUKIHIME - A piece of blue glass moon* - will release globally on June 27, 2024. The remake will feature upgraded graphics, a full voiceover, and a rewritten narrative by the original creator Kinoko Nasu.

Tsukihime follows the story of Shiki Tohno, a high school student who begins to see 'lines of death' after suffering an accident as a child. Following the death of his father, Shiki moves back home to live with his sister, Akiha Tohno, and begins to uncover dark truths lurking in his hometown. See the reimagined world of *Tsukihime* through Shiki's eyes as he unravels mysterious killings and meets both fan-favorite and unexpected new characters.

Pre-orders for the game are now available for PlayStation®4 and Nintendo Switch™
