About the Official Authorized FGO Discord Server

The server is designed with the motto of "Jump into *FGO* at any time," aiming to provide powerful support for new and returning players as they progress through the story while also serving as a vibrant hub where members can enjoy real-time information exchange and interaction.

Progress-Based Roles: Members are assigned roles according to their in-game progress to prevent story spoilers while making it easier to connect with others at the same stage of the game.

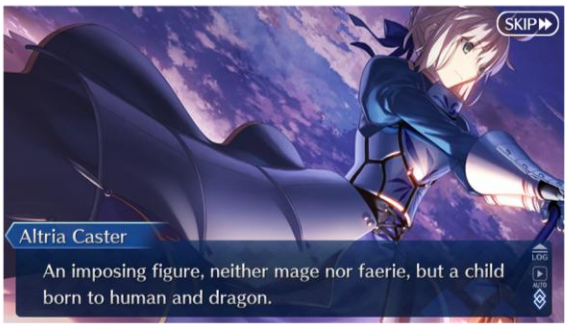

Dedicated Beginner Channels: Channels such as the “beginner-forum" allow new players to feel welcome to ask questions or seek advice. The thread format makes it simple to search past discussions, creating a warm, community-driven environment where players can share knowledge and support one another.

Integration with External Strategy Guides: The server closely coordinates with external sites, offering various beginners’ guides and step-by-step story walkthroughs all the way to the end of Part 1. This comprehensive support system aids in a player’s journey from both inside and outside the community.

If you haven't joined yet, we invite you to take this opportunity to join the Official Authorized FGO Discord Server.
